CRYPTOCHICKS HACK • A • THON

+ CONFERENCE

**A BLOCKCHAIN AND AI
CONFERENCE FEATURING
INDUSTRY LEADERS AND AN ALL-
FEMALE HACKATHON!**

About

CryptoChicks Hackathon and Conference is an open invitation to take part in a bold **blockchain and AI** event. Women are underrepresented in these technologies and with your help, we want to change that. We are calling for blockchain and AI leaders, mentors, advisors, speakers to be the new faces that will help educate, encourage and inspire women to learn new skills and take on new challenges.

Feature

**Vitalik Buterin -
Ethereum 2.0**

**Ben Goertzel and
SingularityNET - demo
of the robot Sophia AI**

Attendees

This event is geared to **students, developers, UX/UI designers, business analysts, technologists, community leaders, education professionals, advisors, mentors, entrepreneurs, crypto-curious individuals, thought leaders, and investors**. We will have something for the newbie and the tech-savvy.

The Organizer

CryptoChicks is a non-profit organization with the mission to grow the economic, professional and leadership potential of women in blockchain and AI technologies
